A COURSPONDEY, in writing up brigg Cave, in Edonoson county, by the content of the condition of the conditio

A FATAL MISTAKE

Mit Leave Taking
A citizen of France who cerain habit of confounding
which is said to him and
deavoring to acquire a knowernacular was about leaving home for a more comfiter. All the little mysteries
robe, including his last nead unbrella, had been

and umbrells, had been pecked up, when he bettought to himself the un-pleasant duty now develving upon him e-that of bidding "se folks" goodby.

After shaking bis fallow boarders cordisily by the hand and wishing them, with incessant bowing, "se verree boat on the state of the second in evil'! and "se benediction did nobist," be retired in search of his beautiful to the second in the state of the second in the second i

leaves 8 good name, his memory is a precious leaves to the first his state. Life's well, Ellis, were be by sleen, for what we will be state the agent. We drop a lear apon, they are but his state, for our heat we will keep result by memory. But the state has well been seed to contrain of our heat we will keep great by memory. But the state has well converted to the state has well as well as the state has well as the sat. If in my countree, I would as government to give yon a pension, dama." The good hady put down head and binshed modesselly, while Frenchman proceeded: "Vell, I to go. You know in seeme tile it is fur pain and trouble. It Got adopted se vieh Lammitine unsda in his possio, anre should be no more pain. At medame—adien! Everbaps forever. Thereupon the Frenchman was :
